

# Model G20 Virtual Summit Agenda

## Space Exploration: Mapping Our Future Beyond Earth

July 2021

July 17, 2021

### Day 1: Identifying the Goals and Challenges Inherent in Space Exploration

- 8:00 - 8:15 am ET **Opening Ceremony**  
At the Opening Ceremony, the Model G20 Committee members will welcome both Deciding Committee members and Delegates to the Summit. They will also outline the goals of the day.
- 8:15 - 9:05 am ET **Country Round Table Meeting I**  
G20 Country Delegations will meet to identify the goals they would like to achieve in the space sector.
- 9:10 - 10:30 am ET **Guest Lecture and Q&A**  
Live presentation and Q&A session by a prominent professor in space science.
- 10:40 - 11:50 am ET **Country Round Table Meeting II**  
Each G20 Country Delegation will finalize their goals by identifying which aspects of space technology and exploration are most relevant to their country. They will then begin to think about policies that may meet their goals.

July 18, 2021

### Day 2: Creating Policies that Address the Future in Space

- 8:00 - 9:30 am ET **Opening Meeting  
Guest Lecture and Q&A**  
Live presentation and Q&A session by a prominent expert in the space sector.
- 8:40 - 9:30 pm ET **Country Round Table Meeting III**  
Country Delegations will discuss potential collaborative policies with other nations.
- 10:40 - 10:50 am ET **Ministerial Meeting I**  
Ministers will meet with their peers from other G20 Countries to discuss potential collaborations regarding their country's space policy goals.

### Conference Preparation

#### Conference Preparation

Engage in the mobile app with peers around the world. Watch selected short videos, go through pre-work materials, and do initial research.

#### Group Orientation and Icebreakers

Meet and bond with co-Delegates, and sign up for ministerial and secondary roles within each Country Delegation.

July 24, 2021

### Day 3: Prioritizing and Finalizing the Space Policies

- 8:00 - 9:20 am ET **Opening Meeting  
Country Round Table Meeting IV**  
Country Delegations will meet to revise their policy proposals based on new insights, collaborations, and research following the Ministerial Meeting. They will also work on their final policy presentations.
- 9:30 - 10:40 am ET **Discussion with Advisory**  
Country Delegations will meet with the Deciding Committee to get on-demand feedback on their policies and presentations.
- 9:50 - 10:50 pm ET **Country Round Table Meeting V**  
Country Delegations will meet to incorporate feedback, finalize, and practice their final policy presentation.

July 25, 2021

### Day 4: Press Conference and Award Ceremony

- 8:00 - 9:00 am ET **Press Conference Opening Ceremony  
Head of State Presentations**  
Each Head of State will present a summary of their nation's space sector policies to the entire Summit, including the Deciding Committee.
- 9:10 - 10:50 am ET **Ministerial Presentations**  
Ministers will present their policies to the Deciding Committee.
- 10:50 - 11:30 am ET **Voting | Talent Show | Open Mic**
- 11:30 am - 12:00 pm ET **Closing Ceremony**  
Select Delegations will be given special awards in recognition of outstanding participation.

This agenda is subject to change. Knovva will notify registrants of any changes before the Summit starts.
